STUDENT TEST PERFORMANCE

Your student's performance on Claims (content areas) within this subject area.

- Claims are broad statements of the assessment system's learning outcomes and are aligned to standards.
- Claim performance is reported as: below standard (⚠️), at/near standard (⦿), or above standard (✅).
- For reporting purposes, there are four Claims in ELA/Literacy and three Claims in Mathematics.

Student Performance on Claims

Claim	Performance	Performance Description	Claim Description
Reading	✅	Above Standard	Student can read closely and analytically to comprehend a range of increasingly complex literary and informational texts.
Writing	✅	Above Standard	Student can produce effective and well-grounded writing for a range of purposes and audiences.
Listening	⦿	At/Near Standard	Student may be able to employ effective listening skills for a range of purposes and audiences.
Research/Inquiry	⦿	At/Near Standard	Student may be able to engage in research and inquiry to investigate topics, and to analyze, integrate, and present information.

Writing Performance Based on Writing Rubric

Essay	Organization/Purpose	Evidence/Elaboration	Conventions
Argumentative	The argumentative response has little or no structure and may be too brief or unfocused. If present, the claim and development of ideas may drift from the purpose and/or audience. The response may not address the opposing argument.	The argumentative response provides minimal elaboration and limited facts and details to support the claim. The response may be ineffective for its purpose.	The argumentative response shows an adequate understanding of correct sentence structure and punctuation.

PERFORMANCE ON WRITING RUBRIC

Appearing only in the ELA/Literacy report, this provides detailed descriptions based on your student's response to the writing task.

FREQUENTLY ASKED QUESTIONS

What does the score report tell me about my student's level of understanding?

This report shows how your student is performing overall on the Idaho Content Standards for ELA/Literacy and Mathematics and their performance in the categories that lead to these scores. The scores are only one aspect of a student's academic performance, but serves as an important measure of progress.

How do these scores affect my student?

Your student's scores on the 2016 ISAT in ELA/Literacy and Mathematics do not affect his or her report card or ability to move on to the next grade level. We primarily use these scores to help families, schools, districts, and the state understand and improve student academic achievement in Idaho.
